

Guest Lecture

January 27th, 7-8:30pm

Discussion and visual presentation by
Neil A. Gordon, M.D. and Laurence M. Milgrim, M.D.

Theme: FACIAL REJUVENATION 2009

- WHAT WORKS
- WHAT MAKES SENSE
- WHAT YOU NEED TO KNOW

This promises to be an evening of valuable, interesting information and fun for both women and men.

Dr. Gordon, facial plastic surgeon and noted author, is a recognized expert on the latest advances in facial plastic surgery techniques. His specialty, the Deep-Plane Facelift is a technique known for a more natural, long-lasting result, with faster healing time. Dr. Gordon is often called upon by the media to discuss and educate the public on this very important topic. He is double board certified by the American Board of Facial Plastic and Reconstructive Surgery and the American Board of Otolaryngology. Dr. Gordon is an Assistant Clinical Professor in the Department of Facial Plastic Surgery at The Yale University School of Medicine where he also serves as Coordinator of Residency Education. He is also a member of the American Society of Facial Plastic and Reconstructive Surgery.

Dr. Gordon has offices in Greenwich, Manhattan and is also a member of the Medical Services for The New England Surgical Center at The Retreat at Split Rock in Connecticut. He created The Retreat at Split Rock to provide a unique, all encompassing environment of care, privacy and luxury for people throughout the world who seek his services.

Dr. Milgrim is the Director of The Split Rock Aesthetic Center at Split Rock. Dr. Milgrim, also a facial plastic surgeon, is known nationally for his ability to address the signs of aging with minimally invasive techniques that produce long-lasting results. He is dedicated to surface re-vitalization and will plan your long-term skin care therapy to keep you looking ageless. His services are an essential part of the rejuvenation specialties offered at The Retreat at Split Rock. Dr. Milgrim is double board certified by the American Board of Facial Plastic and Reconstructive Surgery and The American Board of Otolaryngology. Dr. Milgrim perfected his techniques at the world famous Lasky Clinic in Beverly Hills, California. He was also named as a Diplomate to the National Board of Medical Examiners.
