Dearest Dr. Gordon.

Thank you for the opportunity to work with you. It has been my pleasure and I value our time together.

You are a good and kind man and I am blessed to have you in my life.

I leave with great sadness and hope that we can continue to work together in some manner.

From the bottom of my heart, if you need me, I am a phone call away - for anything.

Know that I will treasure our time spent together. I've never had the chance to work with a physician in the manner that you did. I appreciate your confidence and respect that you afforded me.

God bless and keep you,

with great love,
