

12-'07

To Dr. Gordon and  
his staff,

Thank you Dr. Gordon,  
for doing your expert work on  
my Mom for what I am  
certain will be her last life.  
The entire experience, from the  
consult till this point, has  
been most pleasant. Your  
staff members have all been  
so wonderful and caring  
throughout. Before Mom's  
surgery, when I was so nervous,  
my calls were handled with  
experience and understanding.  
Mom enjoyed her night at  
The Spa, with Phyllis. She  
would have loved to have  
stayed on longer. You have  
created something quite special  
at Split Rock. Thank you  
again for your kindness.

Wishing you all a  
wonderful holiday season!

Love,

Paula Lytel
