

Dear Dr. Gordon, Yvonne and Patty,

I just wanted to thank you for your services, but importantly, for your wonderful kindness. Each one of you has been terrific as I know you are with all of your patients.

Your dedication is evident — accommodating my date change because of my accident is above and beyond — and I do appreciate it!

Dr. Gordon, I know you will be away taking what I hope is a much-deserved break. I hope someone will be taking care of you since you always take such good care of everyone else!

So I'll see you in a few weeks. Thank you again for everything. You are all the best!

Warm regards,  
Victoria
