**Miami, Fla.** — Hundreds of supporters attended the **Phyllis Dropkin Chapter's** annual card party and luncheon in April 2008 at the Westview Country Club. More than \$15,000 was raised through the event, where guest speaker and local resident Neil A. Gordon, M.D., spoke about his devotion to City of Hope.

## Dr. Neil A. Gordon, nationally recognized expert of deep plane lift, to hold seminar Thursday, July 26<sup>th</sup>

The diminishing days of summer finds many women (and men) beginning to gather information about and scheduling appointments for facial procedures to be performed over coming months. Those in the Fairfield County area are fortunate to have locally the much sought after and internationally recognized surgeon whose expertise includes the most advanced facial procedure today—the deep plane lift—as well as the most sophisticated techniques in eyelid and brow lifting, and nose surgery. **Dr. Neil A. Gordon**, facial plastic and reconstructive surgeon and noted author, appears frequently on television and in the print media to discuss and educate the public on facial plastic surgery.

Dr. Gordon is a clinical instructor of surgery in the Department of Surgery at Yale University School of Medicine where he also serves as coordinator for residency education in its Division of Facial Plastic and Reconstructive Surgery. He is chairman of The Committee on Patient Safety and Accreditation for The American Academy of Facial Plastic and Reconstructive Surgery, and is one of a select few surgeons to achieve double board certification by both The American Board of Facial Plastic and Reconstructive Surgery and The American Board of Otolaryngology. As director of medical services for New England Surgical Center at The Retreat at Split Rock in Wilton, Dr. Gordon founded The Retreat to provide a unique, all encompassing environment available to those throughout the world who seek his services. His recently published book, *Your Complete Guide to Facial Rejuvenation*, is available nationally. Dr. Gordon has offices in both Greenwich and Wilton.

The seminar presentation by Dr. Gordon on *Facial Rejuvenation and What You Need to Know* will be held Thursday, July 26<sup>th</sup> at 7:00 p.m. at Dr. Gordon's Greenwich office. Call Jill Page at 203.981.4944 for information and seating reservation.
